3 ALL-NATURAL TRIPLE SOLUTION

MIRWHO provides your skin with a 100% natural triple care solution for everyday damages and irritations.

The **natural ingredients** are not only effective but also environment friendly, helping the skin be at its best in the most natural way.

Myrrh

Widely known as one of the three treasures that the Three Wise Men presented to Jesus, its powerful anti-inflammatory and anti-bacterial effects.

Tea Tree

Tea tree ingredients strengthen the skin barrier, protecting the skin. The anti-inflammatory effects of Tea Tree oil prevent skin irritation.

Centella Asiatica

Well-known for its soothing and regenerative effects, it is one of the most popularly used ingredients in skin care products. Basic, but necessary.

100% NATURAL COTTON MASK SHEET

100% natural cotton sheets allow the mask to embrace every inch of the face.

The tightly adhered sheet maximizes the absorption of the active ingredients.
